17th June 2026 *Our Ref No: OFN/WLA/RDA/26/339*

The Executive Engineer,
Road Development Authority,
Executive Engineer's Office.
Anuradhapura.

Dear Sir/Madam,

DIALOG NATIONAL OPTICAL FIBER NETWORK DEVELOPMENT PROJECT
Requesting Permission to Lay Overhead Optical Fiber Cables and Cellular Telecommunication Equipment

We write to seek your kind permission to carry out the overhead optical fiber cable laying work along the following road segments. The table below summarizes the intended distances of cable laying and the preferred construction method.

Name of Road	Distance (m)	No of Poles	Construction Method
Maithreepala Senanayake Mawatha	25	02	Overhead

M/s Luminex PLC will be carrying out the above task on behalf of Dialog Broadband Networks (Pvt) Limited.

The relevant drawings are appended for your easy reference.

We would greatly appreciate your approval to proceed with the fiber cabling and cellular telecommunication equipment installation work mentioned above.

Thank you.

Yours faithfully,

Nalin Manorathna

Head – Transport Network Development & Operations – Technology DevOps
